LETTER TO SHAREHOLDERS

Dear Shareholders,

I am pleased to extend a warm welcome to all our esteemed shareholders as we approach the 29th Annual General Meeting (AGM) of KCL Infra Projects Limited. Your continued support and confidence in our company have been pivotal to our progress and achievements over the years.

Our company, a leader in infrastructure and construction with a specialized focus on the health sector, has navigated a dynamic environment with resilience and innovation. Over the past year, we have continued to expand our footprint in the healthcare infrastructure space, delivering state-of-the-art facilities and solutions that align with the evolving needs of the industry.

We are pleased to report that Kcl Infra Projects Limited has demonstrated robust financial performance. Our revenue for the fiscal year reached 1178.47 lacs. This growth is attributed to our successful project completions, strategic partnerships, and effective cost management. Despite a challenging economic landscape, we have maintained a strong balance sheet and healthy cash flow, reinforcing our financial stability and capacity for future investments.

Performance 2023-24

During the financial year 2023-2024 our company is working on the ongoing projects and along with this our company has developed health care centres under the name C3 Multispeciality Hospital limited under various rural areas.

The Pradhan Mantri Kaushal Vikas Yojana (PMKVY), launched in 2015, aims to encourage and promote skill development in the country. The scheme offers free short-duration skill training and incentivizes this by providing monetary rewards to youth for skill certification, for achieving the same objective our company is also focusing on launching new courses for skill development and make career in health, wealth and media sector.

In the Union Budget 2024-25, The Central Government has announced Significant investments in infrastructure that have had a strong multiplier effect on the economy. Over the next five years, strong fiscal support for infrastructure has been planned to maintain by the Central Government. For capital expenditure this year, Rs.11,11,111 crore has been allocated that will constitute 3.40% of GDP. Keeping the Union Budget and our vision our company is planning to invest more in Infrastructure projects and Health sectors in upcoming years.

Looking ahead, we are optimistic about the future. Our strategic plan focuses on expanding our market presence, enhancing our service offerings, and investing in innovative technologies. We aim to capitalize on emerging opportunities within the healthcare sector and continue delivering value to our stakeholders.

I would like to express my sincere gratitude to our dedicated employees, valued partners, our shareholders, for your unwavering support and confidence in Kcl Infra Projects Limited. Your commitment has been instrumental in our continued success.

NOTES: -

a)The Explanatory Statement pursuant to section 102 (1) of the Companies Act, 2013 in respect of the Special Business under item no 1 as stated above in annexed hereto.

b)The Ministry of Corporate Affairs (“MCA”) vide its circular dated April 8, 2020, April 13, 2020, May 5, 2020, December 8, 2021, May 5, 2022, December 28, 2022 and September 25, 2023 (collectively referred to as “MCA Circulars”), and Securities & Exchange Board of India (SEBI) vide its Circular No. SEBI/HO/CFD/PoD-2/P/CIR/2023/4 dated January 5, 2023 read with Circular No. SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated May 13, 2022, Circular No. SEBI/HO/CFD/CMD1/CIR/F/2020/11 dated January 15, 2021 and Circular No. SEBI/HO/CFD/CMD1/CIR/F/2020/79 dated May 12, 2020 (collectively referred to as “SEBI Circulars”) permitted convening the Annual General Meeting (“AGM”) through Video Conferencing (“VC”) or Other Audio Visual Means (“OAVM”), without physical presence of the members at a common venue. In accordance with the MCA and SEBI Circulars, provisions of the Companies Act, 2013 (“the Act”) and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulations”), this 29th AGM is being held through VC/OAVM, which does not require physical presence of members at a common venue. The deemed venue for the 29th AGM shall be the Registered Office of the Company.

c)Since this General Meeting is held through VC/OAVM the physical attendance of members is dispensed with and no proxies would be accepted by the Company pursuant to the relevant MCA Circulars.

d)No attendance slip/route map has been sent along with this Notice of the Meeting as the meeting is held through Audio Visual means.

e)The attendance through VC/OAVM is restricted and hence members will be allowed on first come first serve basis. However, attendance of Members holding more than 2% of the shares of the Company, and Directors and Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee, the Stakeholders Relationship Committee and Auditors will not be restricted on first come first serve basis.

f)Members attending the Meeting through VC/OAVM will be counted for the purposes of reckoning of Quorum under Section 103 of the Companies Act, 2013.

g)In line with the MCA Circulars and the SEBI Circular, the Notice calling the AGM has been uploaded on the website of the Company at www.kclinfra.com. The Notice can also be accessed from the website of the Stock Exchange i.e. BSE Limited at www.bseindia.com.

h)Members are requested to notify immediately changes, if any, in their registered addresses to the Company's Registrar and Share Transfer Agents Adroit Corporate Services Pvt. Ltd., 17/20, Jafferbhoy Industrial Estate, Makwana Road, Marol Naka, Andheri (E), Mumbai- 400059. Members are also requested to furnish their Bank details to the company's Share Transfer Agents immediately for printing the same on the dividend warrants/Cheques to prevent fraudulent encashment of the instruments.

i)Members holding shares in physical form are requested to consider converting their holding to dematerialized form to eliminate all risks associated with physical shares and for ease of portfolio management. Members can contact the Company for assistance in this regard. Members who hold shares in dematerialized form are requested to bring their Client ID and DP ID numbers for easy identification of attendance at the meeting and number of shares held by them.

j)Members holding shares in physical form in identical order of names in more than one folio are requested to send to the Company, the details of such folios together with the share certificates for

consolidating their holdings in one folio. A consolidated share certificate will be returned to such Members after making requisite changes thereon.

k)The Ministry of Corporate Affairs (“MCA”) has taken a “Green Initiative in the Corporate Governance” by allowing paperless compliances by Companies and has issued a circular on April 21, 2011 stating that the service of document by a Company can be made through electronic mode.

l)In compliance with the provisions of Section 108 of the Companies Act, 2013 and the Rules framed there under and the SEBI (LODR) Regulation 2015, the Members are provided with the facility to cast their vote electronically, through the e-voting services provided by Central Depository Services (India) Limited (CDSL), on all the resolutions set forth in this Notice. Resolution(s) passed by Members through remote e-voting/ e-voting is deemed to have been passed as if they have been passed at the AGM.

m)CS Vishakha Agrawal of Vishakha Agrawal & Associates., Practicing Company Secretaries (Membership No. 39298) has been appointed as the Scrutinizer to scrutinize the voting and remote e-voting process (including the Ballot Form received from the Members who do not have access to the e-voting process) in a fair and transparent manner.

n) A member may participate in the general meeting even after exercising his right to vote through remote e-voting but shall not be allowed to vote again.

o) The chairman shall, at the general meeting at the end of discussion on the resolution on which voting is to be held, allow voting with assistance of scrutinizer, by using an e-voting system for all the members who are present at the general meeting but have not cast their votes by availing the remote e-voting facilities.

p) If a company opts to provide the same electronic system as used during the remote e-voting during the general meeting, the said facility shall be in operation till all the resolutions are considered and voted upon in the meeting and may be used for voting by the member attending the meeting and who have not exercised their vote through remote e- voting.

Ltd., Registrar and Share Transfer Agent of the Company. Members holding shares in electronic mode may contact their respective Depository Participants for availing this facility.

The instructions to shareholders for E Voting and joining Virtual Meetings are as under:

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non- individual shareholders in demat mode.

(i)The voting period begins on Friday 06th September 2024 at 9 am and ends on Sunday 08th September 2024 at 5 pm. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date Friday 30th August 2024 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

(ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

(iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

(iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. EXPLANATORY STATEMENT

(Pursuant to section 102 of Companies Act, 2013)

As required by section 102 of the Companies Act, 2013 ("Act"), the following explanatory statement sets out all material facts relating to the businesses mentioned under item no.1 of the accompanying notice:

ITEM NO.1

On the recommendation of the Nomination & Remuneration Committee and with the approval of shareholders in this AGM, the company has appointed Mr. Sameer Awasti (DIN:10733089) as an Independent Director for a term of 5 years with effect from September 09, 2024, subject to the approval of the Members of the Company. In terms of section 160 of the Companies Act, 2013, the Board Governance, Nomination and Remuneration Committee and the Board have recommended the appointment of Mr. Sameer Awasti (DIN:10733089) as an Independent Director pursuant to the provisions of Sections 149 and 152 of the Companies Act, 2013.

The Company has also received a notice in writing from a member proposing the candidature of Mr. Sameer Awasti to be appointed as Director of the Company. The Company has received a declaration from Mr. Sameer Awasti confirming that he meets the criteria of independence under the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Further, the Company has also received Mr. Sameer Awasti's consent to act as a Director in terms of section 152 of the Companies Act, 2013 and a declaration that he is not disqualified from being appointed as a Director in terms of Section 164 of the Companies Act, 2013.

In the opinion of the Board, Mr. Sameer Awasti fulfils the conditions specified in the Companies Act, 2013 and rules made thereunder and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, for his appointment as an Independent Director of the Company and he is independent of the management. Considering Mr. Sameer Awasti's knowledge and experience, the Board of Directors is of the opinion that it would be in the interest of the Company to appoint him as an Independent Director for a period of five years with effect from 09 September 2024.

Brief profile of Mr. Sameer Awasti is given below:

Mr. Sameer Awasti is having a robust background in engineering and business management. He holds a Bachelor's degree in Technology (B.Tech) and an MBA with a specialization in Operations and Management. His career spans diverse industries, where he has demonstrated expertise in strategic planning, operational efficiency, and organizational leadership.

Mr. Sameer is known for his adaptability in driving business growth and optimizing processes. His combination of technical and managerial skills, along with his experience in board-level decision-making, positions him as a valuable asset in guiding and enhancing corporate governance and strategic direction.

SECRETARIAL AUDIT REPORT

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]

FOR THE FINANCIAL YEAR ENDED 31st MARCH, 2024

To,

The Members,

KCL Infra Projects Limited

(CIN: L45201MH1995PLC167630)

B-3/204, Saket Complex Thane (West), Thane (M.H.)

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **KCL Infra Projects Limited (CIN:L45201MH1995PLC167630)** (hereinafter called '**the Company**'). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Management's Responsibility:

The Management of the Company is completely responsible for preparation and maintenance of Secretarial records and for developing proper systems to ensure compliance with the provisions of applicable laws, rules and regulations.

Auditor's Responsibility:

Our responsibility is to express an opinion on the secretarial records, standards and procedures followed by the Company with respect to secretarial compliances, on the basis of verification done by us on test basis.

We have followed the audit practices and processes as were appropriate to the best of our understanding to obtain reasonable assurance about the correctness of the contents of the secretarial records. The verification was done on the test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices, we followed, provide a reasonable basis for our opinion.

Industry Structure and Developments

India’s high growth imperative in 2023 and beyond will significantly be driven by major strides in key sectors with infrastructure development being a critical force aiding the progress.

Infrastructure is a key enabler in helping India become a US \$26 trillion economy. Investments in building and upgrading physical infrastructure, especially in synergy with the ease of doing business initiatives, remain pivotal to increase efficiency and costs. Prime Minister Mr. Narendra Modi also recently reiterated that infrastructure is a crucial pillar to ensure good governance across sectors.

The government’s focus on building infrastructure of the future has been evident given the slew of initiatives launched recently. The US\$ 1.3 trillion national master plan for infrastructure, Gati Shakti, has been a

forerunner to bring about systemic and effective reforms in the sector, and has already shown a significant headway.

Infrastructure support to the nation's manufacturers also remains one of the top agendas as it will significantly transform goods and exports movement making freight delivery effective and economical.

The "Smart Cities Mission" and "Housing for All" programmes have benefited from these initiatives. Saudi Arabia seeks to spend up to US\$ 100 billion in India in energy, petrochemicals, refinery, infrastructure, agriculture, minerals, and mining.

The infrastructure sector is a key driver of the Indian economy. The sector is highly responsible for propelling India's overall development and enjoys intense focus from the Government for initiating policies that would ensure the time-bound creation of world-class infrastructure in the country. The infrastructure sector includes power, bridges, dams, roads, and urban infrastructure development. In other words, the infrastructure sector acts as a catalyst for India's economic growth as it drives the growth of the allied sectors like townships, housing, built-up infrastructure, and construction development projects.

To meet India's aim of reaching a US\$ 5 trillion economy by 2025, infrastructure development is the need of the hour. The government has launched the National Infrastructure Pipeline (NIP) combined with other initiatives such as 'Make in India' and the production-linked incentives (PLI) scheme to augment the growth of the infrastructure sector. Historically, more than 80% of the country's infrastructure spending has gone toward funding for transportation, electricity, and water, and irrigation.

While these sectors still remain the key focus, the government has also started to focus on other sectors as India's environment and demographics are evolving. There is a compelling need for enhanced and improved delivery across the whole infrastructure spectrum, from housing provision to water and sanitation services to digital and transportation demands, which will assure economic growth, increase quality of life, and boost sectoral competitiveness.

Opportunities

Mechanized car parking systems are in itself something unique and interesting that has been introduced and implemented in India, but there is always a scope for improvement. New technologies can be implemented in order to boost the current scenario viz. Smart parking can be one of the options which uses sensors, wireless communication technology, data analytic sect. To solve parking issues.

Smart parking solutions can be used to locate available parking space with the help of sensors. This saves customer's time as well as minimizes wastage of fuel. Various technologies are being used to ease parking problems in public places.

Not just the technologies, but government of India is also giving huge impetus for the development of this sector through focused policies such as open FDI Norms, large budget allocation to infrastructure sectors, smart city missions, RERA etc. Can be seen as major opportunities in this sector.

Threats

Opportunities are many, but at the same time the threats can- not be overlooked. The first and the foremost is the risk associated with the tender allocation process as the construction and infrastructure sector in India is largely dominated by a large number of small players. The lack of co-ordination in various government authorities also causes delay in the execution and implementation of the projects. Huge cost involvement and difficulty in raising funds are some of the major threats.

Risk and concerns

Risk is an inherent part of any business, and so is the case with this industry too. There are various risks associated while undertaking any construction projects which have to be mitigated and taken due care of. The

first is the contractual risk, shortage of skilled labor, availability and inducement of funds as and when required, regulatory amendments, cost volatility, competitive intensity, etc.

Not just the mere existence of risk but their identification, analysis and mitigation in an effective manner is the major area of concern for the company and forth is the company has a risk management committee in place and also a policy to manage the risks encountered or the potential ones in a planned way.

The company's internal control systems are commensurate with the nature of its business and the size and complexity of its operations. These are routinely tested and certified by statutory as well as internal auditors and cover all offices, factories and key business areas. Significant audit observations and follow up actions there on are reported to the Audit Committee. The Audit Committee reviews the adequacy and effectiveness of the Company's internal control environment and monitors the implementation of audit recommendations, including those relating to strengthening of the company's risk management policies and systems.

Outlook

The company's approach is more focused towards constant and rapid upgradation of the infrastructure and development of more and more mechanized car parking projects particularly in the smart cities of India. Our company is India one of the leading Company in the field of technology, engineering and Construction Company has multiple operating segments under the roof of KCL World. Looking at the current global scenario Company has diversified its business object in healthcare sector.

Internal Control Mechanism

The company has adequate internal control systems in place, commensurate with its size and nature of operations. The Internal auditor, inter-alia, covers all significant areas of the company's operations and submits the report to the Audit Committee for the review.

Internal control procedures at KCL Infra projects Limited are designed to ensure that all assets and resources are acquired economically, used efficiently and protected adequately and all internal policies and statutory guidelines are complied in letter and spirit.

The company's Audit Committee, the composition and functioning of which is in accordance with the provisions of Companies Act, 2013 as well as Regulation 18 of SEBI (Listing Obligation and Disclosure Requirements) Regulation, 2015, further strengthens the robustness of its internal control mechanism.

Human resource Development

Your Company recognizes human assets as a primary source of its growth & competitiveness. Company's HR practices, systems and people development initiatives are focused on deployment and scouting for the "Best Fit" talent for all key roles. Pay for performance, reward and recognition programmes, job enrichment and lateral movements provide opportunity for growth & development of the talent pool.

The Company has been working towards institutionalizing a performance-oriented culture. The entire HR system including recruitment, performance management system, reward and recognition has been aligned with the business objectives. Key management personnel at the projects are being valued on uniform parameters linked to organisational priorities. Similarly, key personnel at the corporate office have been given organisation target in addition to their functional objectives. The Company also has association with various professionals who work in association and co-ordination with the employees of the Company.

Cautionary Statements

The above Management Discussion and Analysis contains certain forward looking statements within the meaning of applicable security laws and regulations. These pertain to the Company's future business prospects and business profitability, which are subject to a number of risks and uncertainties and the actual results could materially differ from those in such forward looking statements. Independent Auditor's Report

**To,
The Members of KCL Infra Projects Limited**

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying Financial Statements of KCL Infra Projects Limited (“the Company”), which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and Notes to the Financial Statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as “the Financial Statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis of Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. There is no key audit matter to be communicated in our report.

Information Other than the Financial Statements and Auditor’s Report Thereon

The Company’s Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board’s Report including Annexures to Board’s Report, Business Responsibility Report, Corporate Governance and Shareholder’s Information, but does not include the Financial Statements and our auditor’s report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management’s Responsibilities for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- i. Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii. Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- iii. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- iv. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's

report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- v. Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid Financial Statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act. The company has paid only sitting fees to its directors.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has no pending litigation as on March 31, 2024 its financial position in its Financial Statements.
 - ii. The Company does not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no amount, which is required to be transferred, to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

**Annexure - A to the Independent Auditor's Report of even date on the Financial Statements of
KCL Infra Projects Limited**

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of KCL Infra Projects Limited of even date.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of KCL Infra Projects Limited ("the Company") as of March 31, 2024 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the Company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

KCL INFRA PROJECTS LIMITED
Notes to Financial statements for the year ended 31st March, 2024

1. Corporate Information

KCL Infra Projects Limited ('the Company') is a Limited Company, domiciled in India under the provision of the Companies Act, 1956 having its registered office at B-3/204, SAKET COMPLEX THANE (WEST), THANE, MAHARASTRA 400601, India. The Company is engaged in the business of Construction & Infrastructure Activities. In addition to that company is also engaged in providing advisory services.

2. Significant Accounting Policies of Financial Statements

The significant accounting policies applied by the Company in the preparation of its financial statements are listed below. Such accounting policies have been applied consistently to all the periods presented in these financial statements, unless otherwise indicated.

(i) Statement of compliance

The financial statement have been prepared in accordance with Indian Accounting standards ("Ind AS") notified, under Section 133 of the Companies Act, 2013 ('Act') read with the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standard) Amendment Rules 2016 and the relevant provisions of the Act.

(ii) Basis of Preparation of Financial Statements

These financial statements have been prepared in accordance with Indian Accounting Standard (Ind AS), under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair value at the end of each reporting period, as explained in the accounting policies mentioned below.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. The Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

Functional and Presentation of Currency

These financial statements are presented in Indian rupees, which is the Company's functional currency.

(iii) Use of Estimates, Judgments and Assumptions

In the preparation of the financial statements, the Company makes judgments, estimates and assumptions about the carrying value of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised and future periods affected.

Key source of estimation of uncertainty at the date of the financial statements, which may cause material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of impairment, useful lives of property and plant and equipment, valuation of deferred tax assets, provisions and contingent liabilities, fair value measurements of financial instruments and retirement benefit obligations as discussed below.

Impairment

The Company estimates the value in use of the cash generating unit (CGU) based on future cash flows after considering current economic conditions and trends, estimated future operating results and growth rates and anticipated future economic and regulatory conditions. The estimated cash flows are developed using internal forecasts. The cash flows are discounted using a suitable discount rate in order to calculate the present value.

Useful lives of property, plant and equipment and intangible assets

The Company reviews the useful life of property, plant and equipment and intangible assets at the end of each reporting period. This reassessment may result in change in depreciation and amortization expense in future periods.

Valuation of deferred tax assets

The Company reviews the carrying amount of deferred tax assets at the end of each reporting period.

Provisions and contingent liabilities

A provision is recognized when the Company has a present obligation as result of a past event and it is probable that the outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are not recognized in the financial statements.

Fair value measurements of financial instruments

When the fair value of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including Discounted Cash Flow Model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair value. Judgements include considerations of inputs such as liquidity risks, credit risks and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

Retirement benefit obligations

The Company's retirement benefit obligations are subject to number of judgments including discount rates, inflation and salary growth. Significant judgments are required when setting these criteria and a change in these assumptions would have a significant impact on the amount recorded in the Company's balance sheet and the statement of profit and loss. The Company sets these judgments based on previous experience and third party actuarial advice.

(iv) Property, plant and equipment

An item of property, plant and equipment is recognized as an asset if it is probable that future economic benefits associated with the item will flow to the Company and its cost can be measured reliably. This recognition principle is applied to costs incurred initially to acquire an item of property, plant and equipment and also to costs incurred subsequently to add to, replace part of, or service it. All other repair and maintenance costs, including regular servicing, are recognized in the statement of profit and loss as incurred. When a replacement occurs, the carrying value of the replaced part is de-recognized. Where an item of property, plant and equipment comprises major components having different useful lives, these components are accounted for as separate items.

Property, plant and equipment is stated at cost or deemed cost applied on transition to Ind AS, less accumulated depreciation and impairment. Cost includes all direct costs and expenditures incurred to bring the asset to its working condition and location for its intended use. Trial run expenses (net of revenue) are capitalized. Borrowing costs incurred during the period of construction is capitalized as part of cost of qualifying asset.

The gain or loss arising on disposal of an item of property, plant and equipment is determined as the difference between sale proceeds and carrying value of such item, and is recognized in the statement of profit and loss.

Subsequent expenditure

Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the company.

Depreciation of Fixed Assets

Depreciation on property, plant and equipment is provided on Written down value method (WDV) as per the useful life of the assets in the manner as specified in Schedule II to the Companies Act, 2013. The estimated useful life of assets and estimated residual value is taken as prescribed under Schedule II to the Companies Act, 2013.

Depreciation on additions during the year is provided on pro rata basis with reference to date of addition/installation. Depreciation on assets disposed/discarded is charged up to the date on which such asset is sold.

(v) Investments in subsidiaries

Investments in subsidiaries are carried at cost/deemed cost applied on transition to Ind AS, less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of investment is assessed and an impairment provision is recognized, if required immediately to its recoverable amount. On disposal of such investments, difference between the net disposal proceeds and carrying amount is recognized in the statement of profit and loss.

(vi) Revenue

Revenue is measured at the fair value of the consideration received or receivable. Revenue is recognized to the extent that it is probable that the economic benefit will flow to the company and the revenue can be measured reliably and there is no continuing effective control/managerial involvement in respect of the revenue activity as described below.

Sale of Services

Revenue from sale of services is recognized when agreed contractual task has been completed or services are rendered.

Interest and Dividend

Interest income is recognized on accrual basis using the effective interest method. Dividend income is recognized in profit or loss on the date on which the company's right to receive payment is established.

(vii) Employee benefits**a) Defined benefit plans**

The liability for gratuity a defined benefit plan is determined annually by a qualified actuary using the projected unit credit method.

The Company pays gratuity to the employees who have completed 5 Years of service with company at the time when the employee leaves the company as per the Payment of Gratuity Act, 1972.

Remeasurement of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognized immediately in OCI. Net interest expense (income) on the net defined liability (assets) is computed by applying the discount rate, used to measure the net defined liability (asset), to the net defined liability (asset) at the start of the financial year after taking into account any changes as a result of contribution and benefit payments during the year. Net interest expense and other expenses related to defined benefit plans are recognized in profit or loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service or the gain or loss on curtailment is recognized immediately in profit or loss. The Company recognizes gains and losses on the settlement of a defined benefit plan when the settlement occurs.

b) Defined contribution plans

The Company's payments to the defined contribution plans are recognized as expenses during the period in which the employees perform the services that payment covers. Defined contribution plan comprise of contribution to the employees' provident fund with government, Employees' State Insurance and Pension Scheme.

c) Short term employee benefits

Short-term employee benefits are expensed as the related service is provided. A liability is recognized for the amount expected to be paid if the company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

d) Other Employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognized as a liability at the present value of obligation as at the Balance sheet date determined based on an actuarial valuation.

(viii) Income Tax

Income tax expense comprises current and deferred tax. It is recognized in profit or loss except to the extent that it relates to a business combination, or items recognized directly in equity or in OCI.

a) Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantively enacted at the reporting date. Current tax also includes any tax arising from dividends.

Current tax assets and liabilities are offset only if, the Company:

- a) has a legally enforceable right to set off the recognized amounts; and
- b) Intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

b) Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax

liability. Accordingly, MAT is recognized as deferred tax asset in the balance sheet when the asset can be measured reliably, and it is probable that the future economic benefit associated with the asset will be realized. Deferred tax assets and liabilities are offset only if:

- a) The entity has a legally enforceable right to set off current tax assets against current tax liabilities;
- b) The deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable entity.

(ix) Foreign currency transactions and translations

The financial statements of the Company are presented in Indian Rupees, which is the functional currency of the Company and the presentation currency for the financial statements.

Transactions in foreign currencies are translated into the respective functional currencies of the company at the exchange rates at the dates of the transactions.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Difference arising on settlement of monetary items are generally recognized in statement of profit and loss.

Non-monetary items that are measured based on historical cost in a foreign currency are not translated. Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Exchange difference arising out of these transactions are generally recognized in statement of profit and loss.

(x) Borrowing cost

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for the intended use or sale.

Qualifying asset are the assets that necessarily takes a substantial period of time to get ready for its intended use. Other borrowing costs are recognized as an expense in the period in which they are incurred.

Investment income earned on temporary investment of specific borrowings pending their expenditure on qualifying assets is recognized in the statement of profit and loss.

(xi) Cash and Cash Equivalent

In cash flow statement, Cash and cash equivalent includes the cash and Cheques in hand, bank balances, demand deposits with bank and other short term, highly liquid investments with original maturity of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Bank overdraft is shown within borrowings in current liabilities in the balance sheet and forms part of financing activities in the cash flow statement. Book overdraft are shown within other financial liabilities in the balance sheet and forms part of operating activities in the cash flow statement.

(xii) Cash Flow Statement

Cash flows are reported using indirect method, whereby profit/ (loss) before tax is adjusted for the effect of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments and items of income or expenses associated with investing or financing cash flow. The cash flow from operating, investing and financing activities of the company is segregated based on the available information.

(xiii) Earnings per Share

i) Basic earnings per shares is arrived at based on net profit / (loss) after tax available to equity shareholders divided by Weighted average number of equity shares, adjusted for bonus elements in equity shares issued during the year (if any) and excluding treasury shares.

ii) Diluted earnings per shares is calculated by dividing Profit attributable to equity holders after tax divided by Weighted average number of shares considered for basic earning per shares including potential dilutive equity shares.

(xiv) Provisions, Contingent Liabilities and Contingent Assets

A provision is recognized if, as a result of a past event, the company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation and there is reliable estimate of the amount of obligation.

A disclosure for contingent liabilities is made where there is a possible obligation arising from past events, the existence of which will be confirmed only on the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arise from past events where it is not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

(xv) Leases

As a Lessee

A lease is classified at the inception date as finance lease or an operating lease. Leases under which the company assumes substantially all the risks and rewards of ownership are classified as finance leases. When acquired, such assets are capitalized at fair value or present value of the minimum lease payments at the inception of lease, whichever is lower. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognized in finance costs in the statement of profit and loss.

Other leases are treated as operating leases, with payments are recognized as expense in the statement of profit and loss on a straight line basis over the lease term.

(xvi) Impairment of Non-Financial Assets

The company assesses at each reporting date whether there is any objective evidence that a non-financial asset or a group of non-financial assets are impaired. If any such indication exists, the company estimates the amount of impairment loss. For the purpose of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or group of assets is considered as cash generating unit. If any such indication exists, an estimate of the recoverable amount of the individual asset/cash generating unit is made.

An impairment loss is calculated as the difference between an asset's carrying amount and recoverable amount. Losses are recognized in profit or loss and reflected in an allowance account. When the company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognized, then the previously recognized impairment loss is reversed through profit or loss.

(xvii) Financial Instruments

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit and loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. The transaction costs directly attributable to the acquisition of financial assets and financial liabilities at fair value through profit and loss are immediately recognized in the statement of profit and loss.

Financial instruments also include derivative contracts such as foreign currency foreign exchange forward contracts, interest rate swaps and currency options; and embedded derivatives in the host contract.

Effective interest method

The effective interest method is a method of calculating the amortized cost of a financial instrument and of allocating interest income or expense over the relevant period. The effective interest rate is the rate that exactly discounts future cash receipts or payments through the expected life of the financial instrument, or where appropriate, a shorter period.

(A) Financial assets

Classification

The Company shall classify financial assets and subsequently measured at amortized cost, fair value through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

Initial recognition and measurement

All financial assets are recognized initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset, in the case of financial assets not recorded at fair value through profit or loss. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognized on the trade date, i.e., the date that the company commits to purchase or sell the asset.

Measured at Amortized cost

A financial asset is measured at the amortized cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the statement of profit and loss. The losses arising from impairment are recognized in the statement of profit and loss. This category generally applies to trade and other receivables.

Measured at fair value through other comprehensive income (FVTOCI)

A financial asset is measurement FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI.

Financial assets included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the profit and loss. On de-recognition of the asset, cumulative gain or loss previously recognized in OCI is reclassified from the equity to profit and loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

Financial Asset at fair value through profit and loss (FVTPL)

FVTPL is a residual category for financial asset. Any financial asset, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the company may elect to classify a financial asset, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

Financial assets included within the FVTPL category are measured at fair value with all changes recognized in the profit and loss.

De-recognition

A financial asset (or, where applicable, a part of a financial asset or part of a company of similar financial assets) is primarily de-recognized (i.e. removed from the company's balance sheet) when:

- i) The rights to receive cash flows from the asset have expired, or
- ii) The company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the company has transferred substantially all the

risks and rewards of the asset, or (b) the company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

- iii) When the company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the company continues to recognize the transferred asset to the extent of the company's continuing involvement. In that case, the company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the company has retained.
- iv) Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the company could be required to repay.

Impairment of financial assets

In accordance with Ind-AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortized cost e.g., loans, debt securities, deposits, and bank balance.
- b) Trade receivables.

The Company follows 'simplified approach' for recognition of impairment loss allowance on:

- i) Trade receivables which do not contain a significant financing component.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

- ii) For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12-month ECL.

(B) Financial liabilities

Classification

The Company classifies all financial liabilities as subsequently measured at amortized cost, except for financial liabilities at fair value through profit or loss. Such liabilities, including derivatives that are liabilities, shall be subsequently measured at fair value.

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss or amortized costs.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The company's financial liabilities include trade and other payables, loans and borrowings, financial guarantee contracts and derivative financial instruments.

Financial liabilities at fair value through profit or loss.

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the group that are not designated as hedging instruments in hedge relationships as defined by Ind-AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognized in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, and only if the criteria in Ind-AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. This gain/loss is not subsequently transferred to P&L. However, the company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognized in the statement of profit or loss.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

This category generally applies to interest-bearing loans and borrowings.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

Measurement of fair values

The Company's accounting policies and disclosures require the measurement of fair values, for financial instruments.

The Company has an established control framework with respect to the measurement of fair values. The management regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, then the management assesses the evidence obtained from the third parties to support the conclusion that such valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which such valuations should be classified.

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognizes transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

KCL INFRA PROJECTS LIMITED
NOTES FORMING PART OF FINANCIAL STATEMENTS

Financial Instruments
30.1 Risk management frameworks

The Company's activities expose it to a variety of financial risks, including market risk, credit risk and liquidity risk. The Company's primary risk management focus is to minimize potential adverse effects of risks on its financial performance. The Company's risk management assessment and policies and processes are established to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. Risk assessment and management policies and processes are reviewed regularly to reflect changes in market conditions and the Company's activities. The Board of Directors and the Audit Committee is responsible for overseeing the Company's risk assessment and management policies and processes.

(i) Market risk

Market risk is the risk of changes the market prices on account of foreign exchange rates, interest rates and Commodity prices, which shall affect the Company's income or the value of its holdings of its financial instruments. The objective of market risk management is to manage and control market risk exposure within acceptable parameters, while optimizing the returns.

(a) Interest Rate Risk

Interest rate risk is the risk the fair value or future cash flow of a financial instrument will fluctuate because of changes in market interest rate. Fair value interest rate risk is the risk of changes in fair value of fixed interest bearing financial instrument because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing financial instrument will fluctuate because of fluctuations in the interest rates.

The Company's exposure to the risk of changes in market interest rates relates primarily to the borrowing from banks. Currently company is not using any mitigating factor to cover the interest rate risk.

(ii)Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations and arises principally from the Company's receivables from customers. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. The Company establishes an allowance for doubtful debts and impairment that represents its estimate of incurred losses in respect of trade and other receivables and investments.

Trade and other receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry has an influence on credit risk assessment. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.
